Subject: - **HANDING OVER CHARGE OF TAXILA MUSEUM, TAXILA.**

Dear Sir,

I would like to invite your attention to serious issue of transfer of artifacts from Taxila Museum to china for exhibition purpose. It is evident that undersigned is still holding charge of display of Taxila museum and museum keys, registers and other auxiliary components are kept in custody by current museum administration.

2. The artifacts sent for exhibition to China were handed over by Assistant curator without taken over from undersigned. Administration of Taxila Museum daily open museum, open museum galleries since my retirement, and charge on paper is lying with me but physically it is kept by Administration of Taxila Museum. In this prevailing situation pension case of undersigned has been delayed considerably.

3. Foregoing above scenario, it is requested to direct the officer of Taxila Museum to take over the charge from undersigned as it is a technical issue and process my pension case.

Yours sincerely,

(ABDUL NASIR)
Assistant Director (RTD)
Taxila Museum, Taxila
